From: Director, Office of Fire and Aviation

Subject: 2002 Facility Unit Leader (FACL) and Food Unit Leader (FDUL) Qualifier
Workshop, and 2002 Contracting Officer's Technical Representative (COTR)
Refresher Workshop DD: 11/09/01

The USDA Forest Service will be conducting 2002 Qualifier FACL and FDUL (Feb. 19-22, 2002) and 2002 Refresher COTR/FDUL/FACL (Feb. 25-Mar. 1, 2002) workshops in San Diego, California. Due date for receipt of applications to attend the workshops is November 9, 2001.

Each workshop is limited to 50 participants. There is still room for people interested in attending. FACLs, FDULs, and COTRs will receive first priority for attendance. However, Contracting Officer Representatives (Logistics Chiefs) are encouraged to attend as they have the highest level of authority on the National Mobile Food Service and Shower Facility contracts. The workshops will cover valuable contract-specific training.

The initial Forest Service letters with information and registration forms for each workshop are attached. Please forward this information bulletin with attachments to everyone that is currently re-carded for Logistics Chief, FACL, FDUL, or COTR fire incident duties. It is expected that there will be an increase in applications to attend the workshops over the next two weeks. Interested applicants are encouraged to forward the required registration forms as soon as possible.
