Subject: Permanent Fire Positions

DD: 05/10/02

Brian Waidmann, Chief of Staff, Department of the Interior, has requested the numbers and types of permanent full-time fire positions that are not yet filled for Fiscal Year 2002. The "types" of positions means how many regular firefighters, Hot-shots, engine employees, and whatever other firefighter categories for which the States hire.

We apologize for the very short turnaround. Please gather what information you can and submit to Jim Knox, 208-387-5514, as requested above.
