Subject: FY 03 State-by-State National Fire Plan Briefing Papers DD: 6/13/03

We realize that this is a short turn-around time request, but the Department will provide most of the information for the state-by-state briefing papers on the National Fire Plan. They are only requesting that each state provide one or more statements that show continuing successes. For examples of what was used last year, go to [www.fireplan.gov/stat.cfm](http://www.fireplan.gov/stat.cfm). See the attached memorandum from the Deputy Assistant Secretary, Budget and Finance for details.
